

Job description

Position

Snow play host

Purpose

Help visitors have a fun snow play experience while reducing impacts to the forest environment by providing information about where to play, safe snow play practices, and facilitating participation in fun creative activities.

Location

Spring Mountains National Recreation Area. Snow play hosts will work in various locations including roadside information stations and out in snow play areas.

Duties

- Promote safe snow play practices
- Facilitate a positive snow play environment by engaging visitors in creative activities, and encouraging respect among visitors and for the forest environment
- Encourage proper disposal of trash
- Guide visitors to proper parking and snow play locations
- Answer any questions visitors may have about snow play (parking, locations for snow play, fees, etc.)

Qualifications

- Experience volunteering in a similar setting a plus, but not required
- Ability to work with the public in a pleasant manner
- Dependability
- Physical ability to work in cold outdoor conditions
- Fluent in English and Spanish a plus
- Minimum age: 18
- Required licenses or certifications (training will be provided)
 - CPR
 - First aid

Work schedule

Snow play hosts will work on weekends and holidays. Average shifts will range between three to six hours. Minimum commitment desired is two shifts per month. We happily welcome volunteers to contribute hours beyond the minimum.

Duration of position

Mid-December through the end of March

How to apply

Please contact Suzanne Hicks at smhicks@fs.fed.us or 702-839-5566 for information on how to apply.
